God is at work praise to His Name. People are being saved we are averaging three visitors to our church per each Sunday. We had a children's day in December where our children were honored and the day was dedicated to ministry for them. Then we also, held a youth camp for our youth while schools were closed. Our desire is to see them grow spiritually so they will remain strong in their faith while away at school. Later in their lives to have strong roots in the Bible and following the will of God for their lives.

How is your family? Or have your spouse/child(ren) write to your Ministry Partner.

My family is doing well. We are thankful for the good health the Lord has given us. Our biggest challenge is school fees for our children.

Please tell your Ministry Partner how grateful you are for their help and sacrifice. Tell them how you used the funds they sent to you.

Ministry Partner:
I thank you in Jesus' Name for your sacrifice and wonderful love shown to my family and ministry. I am so grateful, you will not know the great impact you have on my life until we reach heaven and there I will be able to thank you for what you are doing. We are working on building a new church building so the funds are a big help there. Plus, school fees for my children who can now go to school with no worries. I am so thankful and pray God to bless you everyday in this new year of 2019.
