1 - Please write a detailed testimony of your salvation and call to the ministry.

I grew up in a religious home where I lived with my parents. I never went to the church when I was very young, Later, when my mother received Christ as her savior, and I had grown some, she took upon herself the big task of trying to force me to go to church.

I was a rebellious boy, but the children in the Sunday school and the teachers stimulated my attention with a card. I had attended church four years, then when I was adolescent, I went to Church and the Lord did the work of convincing me to follow Him. It happened one night when I was attending a church service. That night the Pastor made the invitation by asking who wanted to receive Christ in their heart? At that moment I felt like such a happy man. All this happened in 1987.

2 - Please write your personal doctrinal statement.

believe that the writing, of Old Testament and the New Testament are truly inspired by God.
believe there is a God and that He exists eternally as three people: The Father, Son and Holy Spirit

believe that God, heals physical illnesses
believe that the Church is the Bride of Christ.
believe in His commands of baptism and the Lord's Supper
believe the devil exists as our enemy.

3 - Please write a brief testimony of your wife.

I was born in very religious home. My parents always took me to the Church. When I was a young girl, I received the doctrine of God. My brother used to go to church at that time also. One day my bigger brother accepted Christ as his Savior. He began to speak God's Word to other people and I saw a change in his life. This impacted my life. In the Church where there was a evangelic meeting going on, I had the great privilege that my brother was preaching and he made a call that if somebody wanted to receive Christ in their heart to come forward. I didn't resist the call of Jesus Christ, and I gave my life to Jesus. Now I am happy.

Such information will help us not only in finding a sponsor for you, but also for other men around the world who need help. When sending photos, please remember to always write an explanation on the backside of the picture.

Funds will be sent to you (once approved and having found a sponsor) on a quarterly basis. If your quarterly report has not arrived at our office by that time, your support will be suspended until we receive your letter or quarterly report.
