What town/city do you currently live in?

I live in Kimnyaki in rural areas of Arusha city.

Describe where you live (how many rooms, what furnishings do you have, do you have electricity and drinkable water?)

My family and I live in a three rooms and one sitting room house. It is made of wood and bricks. It has electricity; not having good drinkable water because it has much fluoride which make our teeth not good.

Tell us about your ministry at the moment. (Where are you evangelizing, the town/village names, what churches have you recently started etc.)

For now I am a pastor of Ushindi Baptist Church. I do evangelism at the following villages: Olkokola, Kimnyaki, Olevolos, Sambasha, Olmuringiringa, Ngaramtoni, Olmotonyi and other parts of Arusha city. I started two more churches at Olkokola and Shiboro.
