1. Please write a detailed testimony of your salvation and call to the ministry.

I came to know the Lord Jesus Christ as my personal Saviour and Lord in the year 1980 during my time as a student in Secondary School. It became very clear to me that what I used to call Salvation was not true. I thought that being born in a Christian family and going to Church was Salvation. On that day, which I have mentioned above, it was made plain to me that without confessing Christ as your Lord and Saviour there is no hope for eternal life. It is only by believing and confessing (Romans 10:9-10). I could not have any excuse for all have sinned and fallen short of the glory of God. My call to ministry was something that I struggled with. I didn't want to go to be a full time minister because people are going, but it took me ten years after salvation to go to full time ministry. I thank God that He made it very plain to me in the year 1990 to go for Bible training and now I am a full-time minister of His Word.

2. Please write your personal doctrinal statement.

I believe in One and True God, Holy, infinite and unchanging who exists in Trinity that is Father, Son and the Holy Spirit. I believe that Bible is the inspired Word of God and infallible also useful for training, correcting and rebuking man of God. I Tim 3:16-17. I believe that all mankind are lost without hope. There is hope in Jesus Christ who is the only way to the Father. John 14:6 who came to earth from the Heaven through Virgin birth and sinless Saviour of the world who died for our sins and rose on the third day and went back to heaven. I believe also in the Holy Spirit who is the third person of the Godhead. There is also life after death to believers and eternal destruction to non-believers. There is one church the body of Christ on earth.

3. Please write a brief testimony of your wife.

I thank God who saves all who come to Him through Christ. My wife Eunice is born again and committed Christian. She has been of a great help and support to me in the ministry. Soon after our marriage I share with her the call that God had put in my heart to be full-time minister. She didn't object it. This came true that when I told her about the plan of going to Bible School she was open for the plan and also join me in the School. Through that both of us are Bible graduates. Thank God that her willingness and readiness made it possible for us to be good students and now effective ministers of the gospel. May God continue using her for His honor and glory.
