What town/city do you currently live in?

Nanyuki town

Describe where you live (how many rooms, what furnishings do you have, do you have electricity and drinkable water?)

I live in a two bedroomed house with water and electricity. Water is seasonal especially in the dry season about half the year so we have to travel for long distance about 10 miles to get water for domestic use. But this is also a safe a clean environment so am grateful to God.

Tell us about your ministry at the moment. (Where are you evangelizing, the town/village names, what churches have you recently planted etc.)

I thank God for enabling me and my brothers and sisters at the church to evangelize in the following areas which have a very high potential of starting a church

- ① Nyang'ino
- ② Muramati
- ③ Katheri
- ④ Simon

We have done a lot of ground work and it's my sincere hope and prayer that God will enable me open up more churches in these areas. Nyang'ino-Muramati and Muramati fellowships will soon become churches, I am still training the young men in these areas preparing them for leadership positions.

Write on the other side if you need additional space to answer the questions.
