1 - Please write a detailed testimony of your salvation and call to the ministry.

My name is pastor Noel Pallangyo. I was born in a Lutheran Christian family in the year 1960. I grew up in that family having an idea of being a saved person because of my parents being Christians. We have four children.

In the year 1987, I realized that only through a personal confession to Jesus one can be saved; not because I was born in a Christian family. Through the Word of God preached by one preacher, I realized that I have to confess my sins to Jesus through my own mouth and believe in my heart that Jesus is my personal Savior in order to be saved. After my confession I was baptized by immersion after I received the Lord Jesus.

My call to service came in the year 1992. I involved myself in telling others about the love of God through Jesus Christ. As I saw lost people without hope and how I found myself changed, I thought of others to receive the Savior. Until this time, I am still serving the Lord. I love to serve Him because He loves me. I am feeling comfortable to serve my Savior. For whatever you are doing for the ministry, please remember me in your prayers.

2 - Please write your personal doctrinal statement.

Through the teaching and reading of the Bible, I have come to find truth about what I do believe. I was able to know that there is the eternal one God. I believe that man is a sinner but through Jesus' death and confession of sin man can be counted sinless. I believe in the church of all believers. I believe that there is Satan who was a fallen angel according to the teaching of the Bible. Through the teaching of the Bible, I believe in eternal condemnation and eternal life. I believe in the baptism of believers and partaking of the Lord's Supper.

3 - Please write a brief testimony of your wife.

My wife Eliafura was born in a pagan family in the year 1968. Her parents used to practice pagan practices. She was to remain in that family for all her life. In the year 1982 she got married with me. She was saved in the year 1993 when she reached to make her personal confession of sin and accepted Jesus in her life. She began to live a new life in Christ. As long as she found herself married to a pastor, she was open even to tell how sweet is to be in a happy family with hope in the Lord. She has become a best advisor while in the ministry.
