1 - Please write down a detailed testimony of your salvation and call to the ministry.

Before I believe in Jesus Christ, I was a Buddhism and worship all the idols and have the witchcrafts. I usually gave all things to the devil spirits I just follow the ancestors and the generation. I depend myself and believe that all spirits usually help me all the time. On that time, when I was 20 years old I married with my wife and my father in-law believed in Christ, but I strike with him when he came back from the Refugee Camp (the Border of Thailand and Cambodia) and he preach the Gospel about Jesus Christ to me but I reject to him. My wife believed Christ before me, but I persecute her and my father in-law. I was stubborn and play card, drunk, not obey to him. I like to go for a walk more than work anything not fair to God because I don't know Jesus Christ is God. Especially I think that Jesus Christ is for the French God only. So my life seems hopeless and unpeaceful.

5 years later, I have 2 children and they believed in Christ since they were born by my wife. Later on I saw my wife's good action from her and she preached to me every day. Besides, I've got serious sick about 6 times and I've got operation about 3 times and my wife prayed to me so much and explained me to understand about the Lord Jesus until I've got better. And then I know that God love me so much. So I have decided to believe and receive Jesus Christ to be my Lord and my Savior in 1997.

After I believed and received Jesus Christ to be my Lord and Savior, my life was changed from my old action, I go to church and I serve God and also I have so many temptations but I still follow God. I have usually gone everywhere to preach the Gospel in Cambodia especially in Prey Veng Province. One day Pastor Say Setha came to see me on 1999 and encourage me to believe and truth in God and serve God. Especially Pastor Say Setha explain to me to serve God instead of my father in-law to receive the treasurer from the heaven. So I have decided to continue to serve God and go everywhere in my village and other villages to preach the Gospel and make discipleship at Bar Phnom, Mesang, and Peam Ro district, Prey Veng Province.

So I work for God until now.

2 - Please write your personal doctrinal statement.

I believe in the Father, the Son and the Holy Spirit:

The Father created the heaven and the earth and all things that can see and can not see by His Word. The Son was sent by God the Father become to a man and died on the cross and rose from the dead for our sin. He was raised up to the heaven and He will come back again to receive us. The Holy Spirit is sent from Him to help us all thing to worship God Jesus Christ. And also He shows the believers to understand His Word and know His will.

3 - Please write a brief testimony of your wife.

My wife was the good woman in the religion and she was poor woman someone accuses her so much. She believes in devil spirit the same me, she follow magical and follow the Buddha. Besides she likes to play card and want to be happy, so many angry not obey to the parents and dislike the neighbor. In 2000 she heard the Gospel from me and she has decided to receive Jesus Christ to be her Lord and her Savior. After that she understand about the Word of God and she change from the bad

thing that she used to follow before and she can obey and fair the parents and also obey God. And then she want to serve God, so she goes every where in her village and other village in Mesang district Prey Veng province to preach the Gospel. In 2001 She was got married with me by pastor Say SETHA and God used her to help me to serve Him until now.

Summary:

If you would like to give us any other information than what was asked for, you may do so.

In our area, from one village to one village is far away from each other and all the people are so very busy to do something at the field and go to the fishing some go to climb up the palm trees. And we go to preach the Gospel as the team, so we are difficult to walk from place to others. And also there are so many poorest families in that area.

So I have some requests from you like:

1- I ask for 1 motorbike and 7 bicycles for me and for my co-workers easy to go every where to preach the Gospel.

2- I ask for materials to use in the churches like guitars and the Khmer music and also the chairs for the meeting in Sunday.

3- I ask the support for the helpers like women group leaders, youth group leaders and children group leaders.

4- I ask for the planting materials like well pump and blow engine to help the poorest families in that area.

5- I ask you to pray God for opportunity to serve God success full. Please pray for \$2,000us to finish the Church Building

So I hope that God will bless our ministries operation.
