**1. Please write a detailed testimony of your salvation and call to the ministry.**

I was born in a Shepherd's family known as "Kurbur" and I was a devotee of "Ganesh" whom I considered as my family god and also we had a host of other gods and goddess that I was worshiping, frequently I was spend few days at a local Ashram, where many priest as well pilgrims would converge there to take rest and solace from their daily burdens. Before going to the Ashram I taught that all the priest would be very religious but upon going there, I realized that the priest would indulge in drugs, cheat devotees, abuse female devotees. I was totally upset and went home and told my parents about what I observed, my dad told me not to bother about such things and I should concentrate on worshipping Ganesh.

I obeyed my dad and spent the next two years around Ganesha Temple, but could not achieve any peace of mind. Somehow I was led to attend a Christian gathering, where people were singing and looked very joyful, which made me envy them after sometimes a person stood up and began to preach from the Bible, for the first time I heard the God loved me and sent His son Jesus Christ to this world to take away my sins, at the end of the sermon I walked to the dias, when the preacher invited all those who want to believe on Jesus Christ. I said the prayers in accordance to the preacher and felt that Jesus saved me from perishing in my sins.

I returned home with the new found faith, my parents who came to know that I became a Christian, beat me up and threw me out of the house, while I was walking out on the streets, my neighbors also came and tried to pacify me to come back to Hinduism, I refused to give up, to which they took me aside and beat me, they tore my cloths and forced me to walk with torn cloths.

I spent nine months on the streets, witnessing for Christ and leading people to Christ, one of the pastor who led me to the Lord sent me to a particular church, who took care of my and provided shelter, after ten months, my mother came in search of me and took me with her, I followed her and shared my testimony with her and she came to the Lord.

I joined a bible college and got good training about winning souls and after the training I entered into full time ministry.

My wife grew up in a Christian home and attended Baptist church, but would not believe on Jesus for her salvation, she was just a nominal Christian. Her pastor invited me to preach in their youth fellowship. Likewise I ministered in her church among the youths for three days, in one of the meetings I spoke on the Prodigal son, then she heard the gospel on that day and gave her heart to Christ based on my testimony and preaching. From then on she has been a witness for Christ.
