What town/city do you currently live in?

SIKAKONDJI (Village so far from Lome about 80 miles)

Describe where you live (how many rooms, what furnishings do you have, do you have electricity and drinkable water?)

My family lives in a house built with red earth and covered with straws. Stools as chairs and handmade bed for my wife and I . Our children sleep on a mat made of straw.

We drink river water called ' ' Mono ' ' Sometimes the well very far away from us.

Tell us about your ministry at the moment. (Where are you evangelizing, the town/village names, what churches have you recently planted etc.)

Evangelization throughout the villages of **Ahoho** a border village in Togo located in the Republic of Benin and **Akladjenou** a village of Togo closed to Benin .

We were able to establish a church in Akladjenou .

Write on the other side if you need additional space to answer the questions.
