TESTIMONY

I thank God who has saved me. My name is Langaeli Mathayo Mbise. I am a husband of one wife by the name Aranyiaeli. My family used to follow pagan ways of living. Being a child who was born in that family, I found myself grown under the ways of my parents. When I reached the age of being able to know at least of myself, I realized that there are some pagan armlets sounding my neck which were put by my parents to protect me against evil eyes of people around. In my culture people believe very much on bad luck which can be caused by a person if will look in a jealousy desire. Following this a problem, every person who do not know the Lord Jesus have to look for a way of protecting whatever he/she has against enemies. I lived in this kind of family until I became an adult.

It was in the year 1988 I got saved. After staying for long time without hope, I was lucky to hear a message of the Gospel preached by evangelists who visited our village. The preacher spoke against belief on gods which most of our people believed. He insisted that the true assurance of person to see God is through Jesus Christ. I decided therefore to give my life to Jesus. I was led to confession prayer and received Jesus. I started a new life in Jesus through going to the church and later I was baptized.

In the year 1993, I received a call to serve God in my area. I was able to start a church which I am still serving there and villages around as a pastor.

2 - Please write your personal doctrinal statement.

I believe that there is one God our Father, who revealed Himself through His Son and the Holy Spirit. I believe the Bible as inspired Word of God and true teaching.

I believe that Jesus has come to destroy the deeds of Satan and will come in the second time to judge the world. I do believe that the church is a bride of Jesus Christ which believers have to prepare their lives for the second coming. I believe in the ordinances of the church which are baptism and the Lord Supper. I believe that the Holy Spirit is our helper who was sent by Jesus after He went to heaven. I believe in the priesthood of all believers as the Bible teaches.

3 - Please write a brief testimony of your wife.

My wife grew in a pagan family of same tribe like me. She was instructed by her parents to know how to live as a respected lady in their society. She went through customary Mmeru initiations as a way for every lady to go through before marriage. In the year 1984 she married me before being saved. In the year 1989 she received the Lord Jesus and got saved. She was much influenced by a total change which Jesus causes in a life of a believer. In the ministry, she serves the Lord in the church and evangelizes the lost people.
