Minna Niger State.

Describe where you live (how many rooms, what furnishings do you have, do you have electricity and drinkable water?)

We leave in a three room bungalow. It is not yet furnished. We have a well and a pump-borne water that does not give water since last year till today We fetch water from a nearby socket water house.

Tell us about your ministry at the moment. (Where are you evangelizing, the town/village names, what churches have you recently planted etc.)

I went to Ovakere settlement are to start a church before my health breakdown. God's willing the work will continue after I complete my treatment, in this month of February.

Write on the other side if you need additional space to answer the questions.
