1 - Please write a detailed testimony of your salvation and call to the ministry.

I am a born Hindu, my parents were strict devotees of Veerasaiva Basva Kalana, and my dad became a follower of this god and as a sign he even got the priest of the Temple tie a White Thread across his shoulder so as to signify that he will be recognized as a staunch “Lingyate” whereas in truth he belongs to some other caste which is lower to Lingyate. In order to prove himself, he influenced us to stop consuming Non-Vegetarian. So our family were know to be strict Vegetarian, this new title was a boost to us and a license to move among Upper caste people be it Brahmins etc. I became proud of our new family identity.

Our family separated from our relatives and moved out of our village to maintain our new status and that Brahmins and other Upper caste people should recognize us. As a reward the temple priest ordained my dad to assist him in all the temple activities. This kind of false behavior of my parents shook me upside down, I did not know why they were pretending to be so. As I was growing up I too began to practice eating only vegetables, and also learnt black magic and would go village to village and find innocent people and deceive them by promising them that through my black magic, they will be blessed.

For two years I continued in this way, then I began to feel that I was cheating innocent people and that my parents were not being true to their religion. I gave up my practice of going to the temple and performing black magice and began to go to movies and indulge in all kinds of sins. At such an hour I met a Pastor by name Vasanth Paid, who was once a priest, now with Final Frontiers. He came to my house and spent two days with me and shared the gospel of our Lord Jesus Christ. When I heard about the Grace and Truth that Jesus Christ came with , I wept for all my sins, because all of my labor in pleasing god Basva proved futile, never did I felt at peace, but by me trusting in the Lord Jesus Christ and His finished works on the cross was a great blessing, I felt peace that all my sins have been forgiven.

My dad got angry with my becoming a Christian , he chased me out of the house and even threatened Pastor Vasant Pai not to enter our village. So the moment I became a Christian I began to share the gospel with my friends and moved out to a new village, where I began to attend the church pastured by Vasant Pai, from there I joined Timothy Project, where I learnt the word of God and began to minister and plant two small churches in two villages.
