Before I believe in Jesus Christ, I was a soldier. I lived with the life as the wild man because the soldier usually speak to each other just equal to each other not think about the young or the old. I never know the love and forgiveness to the people we just look down on to the people especially I like to look down on to the people who was weaker than me. I was believed in Buddhist just follow the ancient from the past. I was a vile man and like to drink wine and smoke cigarette. I generally don't want to defeat any one and want to win all the time even I'm wrong or right. In 2001 I stopped to be a soldier to the normal man but my heart still to be the wild man the same I was the soldier. But in my living not received the good result and I face to the perish many times, so it makes my life to have the troubles until I see to the future I will have the hopeless in my life.

One day I heard the gospel from the preachers, they are my relative and they are preaching the Gospel about Jesus Christ and he explained to me about Him. And then I interest about Jesus Christ and I try to know Jesus Christ and read one booklet that the preacher gave to me. On that time they started to preach about the love, peace, the saving,

happiness and the death and resurrection of the Lord Jesus Christ to me. And also they told me about their testimony in Christ. And then I've interested to continue to study more about Jesus Christ. Latter on the one who is my relative brings me to see Pastor Say Setha, he explained to me very clearly about Jesus Christ to make me understand very well. So I have decided to receive Jesus Christ to be my Lord and my Savior in 2003.

After I believe and receive Jesus Christ to be my Lord and my Savior, my life was been changed from all things I did in the past. And then I'm very warm in my heart and I want to tell someone about Jesus Christ to receive the salvation the same me. And then my life has changed from all the bad things to do the good thing and God called me to be a servant of God. So I have decided to stop from the old action that I used to do in the past. I received the salvation from God and received Love, Joyce, peace in my life I hope in the living to future forever and ever. So I start to serve God full of my heart and make disciple so many to Christ until now.
