1. Please write a detailed testimony of your salvation.

I got saved back in 1982, when I was sixteen years old. I attended one of the Sunday services in my home church, and it happened that a visiting preacher came and preached on the consequences of sin and the gift of salvation God has given to us through His son, Jesus Christ. His text was Romans 6:23. I repented of my sins and I yielded my life to Jesus Christ on that day. After five years later I received a call from God to be His servant. I joined Kapsabet Bible College in 1987 and I graduated in 21st March, 1991, from that time up to now, I'm serving as a pastor.

2. Please write a brief testimony of your wife.

She received the Lord as her personal saviour in 1988, when she was 14 yrs old. She attended the youth conference at her home church on that day. From that time she has kept her faith in the Lord and she has the gift of singing in the church and also participating in youth activities. She is also a preacher of the word and a teacher to both girls and women.

3. Please write your personal doctrinal statement. Do not use the FFF doctrinal statement.

I believe in:-

1. The unity and Trinity of God, eternally existing in three co-equal persons, the Father, the Son and the Holy Spirit.
2. God the creator and preserver of all things, who created man, male and female in His own image and gave them dominion over the earthly creation.
3. The deity and humanity of God the son, the Lord Jesus Christ, who being very God, also became man, being begotten of the Holy Spirit, born of the virgin P.T.O.

Mary, was crucified, dead and buried, was raised bodily from the dead and ascended to the right hand of the Father; whose two natures continue eternally and inseparably joined together in one person.

4. The deity and personality of God the Holy Spirit and the necessity of his work. to make the death of Christ effective to the individual sinner, granting him repentance toward God and faith in the Lord Jesus Christ; and in His Ministry dwelling permanently within and working through the believer for godly life and service.

5. The divine, verbal and plenary inspiration and infallibility of the Scripture of the old and New Testaments as originally given and their absolute and final authority in all matters of faith and conduct.

6. The universal sinfulness and guilt of human nature since the fall, rendering Man subject to God's wrath and condemnation.

7. The sacrificial death of our representative and substitute, the Lord Jesus Christ, the incarnate Son of God, by the shedding of whose blood atonement was made for the sin of the whole world and whereby alone Men are redeemed from the guilt, penalty, power of sin and death.

8. The necessity of the New birth as the work of God the Holy Spirit, that Men are saved by Grace through faith not by works.

9. The eternal security of a believer, based entirely on the atoning work of the Lord Jesus Christ, whereby as a born again child of God, he has the assurance of salvation and has the right to all privileges of the sons of God.

10. The maintenance of good works and obedience to the revealed will of God in Life and service through which eternal rewards are received.

11. The true church headed by the Lord Jesus Christ and whose members are all regenerate persons united to Christ and to one another by the baptism of the Holy Spirit. P.T.O.
